Explorers Camp | Ages 6-7

Adventure Camp is an action-packed journey filled with exciting excursions, **daily swim sessions**, and thrilling themed activities! As our oldest campers, Adventure Campers step into key leadership roles, guiding and inspiring younger campers while embracing their own challenges and growth.

Passion Projects! Some afternoons, campers will break away from their divisions to ignite their “**spark of genius**,” a core principle of the Dwight School model. These personalized sessions, led by our counselors, offer a variety of hands-on experiences that campers can vote on and attend. It’s an opportunity to explore new skills, fuel their passions, and develop as leaders, all while creating unforgettable memories!

Prices include:

- 4-5 swimming sessions at our Athletic Center

Adventure Camp | Ages 8-12

Get ready for non-stop action and excitement! Extreme Sports Camp is packed with energy and fun, featuring activities like **dodgeball**, basketball, **kickball in Central Park**, flag football, water fights on splash pads, and gymnastics. Led by Dwight's own Lower and Middle School faculty, this program not only focuses on physical activity but also empowers campers to **advocate for themselves**, speak up, and vote for the activities they want to do — building independence and decision-making skills along the way.

With teamwork, **sportsmanship**, and igniting each child's "spark of genius" at the heart of every activity, your child will come home with big smiles, new skills, and plenty of stories to share — along with being thoroughly exhausted from all the high-energy fun and physical activity!

Campers do not swim
or attend field trips.

Lunch and Dwight Camp
merch are included.

BACK BY POPULAR DEMAND!

Extreme Sports Camp | Ages 4-12

Dive into an action-packed program designed to improve swim technique and supercharge training skills! Campers will enjoy **two swim sessions each day**: the morning session focuses on refining technique and building endurance, while the afternoon is all about FUN! With exciting games and **friendly competitions**, campers will practice and apply the skills they've learned in a dynamic, engaging way.

Plus, enjoy **outdoor games** on our **spacious rooftop turf field** (with optional tennis nets), functional movement in our mirrored, padded dance studio, and team-building activities. Lunches and exclusive camp merchandise are included for an unforgettable experience!
